The Earthy House

Sustainable Wicker & Rattan Collection

Curated For Modern Hospitality Spaces

Edition 2026

Our Story

For generations, the women across the world have preserved the art of weaving, transforming natural materials into beautiful, functional pieces through skill passed down over centuries. Through our collections, we help create meaningful livelihood opportunities for these talented artisans, connecting their heritage and craftsmanship with modern hospitality spaces. By bringing these handcrafted products into modern hospitality spaces, we help connect age-old craftsmanship with contemporary design while creating opportunities for artisans to earn, grow, and build a more secure future for their families.

Every weave carries a story.

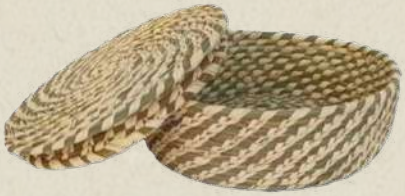

The Earthy House
The Earthy House

Collection of Materials

Sabai Grass

A renewable natural fibre native to Eastern India, Sabai Grass is valued for its strength, flexibility, and beautifully textured weave.

Water Hyacinth

Harvested from naturally abundant waterways, Water Hyacinth is expertly woven into durable, eco-friendly products with a distinctive rustic charm.

Cane

Responsibly sourced from the lush forests of Northeast India, cane is renowned for its exceptional durability, lightweight strength, and timeless elegance.

Jute

Known as the "Golden Fibre," jute is a biodegradable natural material prized for its durability, versatility, and earthy appeal.

Cotton

Cotton Soft, breathable, and naturally renewable, cotton offers exceptional comfort and versatility while complementing handcrafted designs with a refined finish.`

Synthetic Wicker

Expertly engineered for outdoor performance, synthetic wicker combines the timeless look of natural weaving with superior weather resistance, UV stability, and long-lasting durability.
